

MATERIAL SAFETY DATA SHEET

Liquid Rubber Professional Instant Set

TEC v1 011015

1 - Product and Company Information

Trade Name	Liquid Rubber Instant Set
Application of the Preparation	Protective waterproofing membrane
Supplier	Liquid Rubber Sales Ltd. , Prees Green, Nr. Whitchurch, Shropshire, SY13 2BN
Contact Tel. No.	01948 841 877

2 - Composition and Information on Ingredients

Description	Water suspension of petroleum derived hydrocarbons (polymer modified emulsified asphalt) and inert fillers.
-------------	---

3 - Hazards Identification

Hazards	This product is not classified as dangerous according to EU directive 199/45/EU
---------	---

4 - First Aid Measures

After Skin Contact	This is an alkaline product. If splashed on the skin immediately wash thoroughly with fresh water. If the product has dried on the skin massage the area with medical grade mineral oil, baby oil or edible oil, then wash with soap and water. If irritation persists seek medical attention.
After Eye Contact	Flush thoroughly with fresh water for at least ten minutes. Seek medical attention.
After Swallowing DO NOT INGEST	DO NOT INDUCE VOMITING. Seek medical attention.
Note to Physician	No attempt should be made to remove firmly adhering bitumen from the skin. Once the bitumen has cooled, it will do no further harm and in fact provides a sterile covering over a burnt area. As healing takes place, the bitumen plaque will detach itself, usually after a few days. If solvent treatment is used, it should be followed by washing with soap and water, then the application of a proprietary re-fatting agent or skin cleansing cream. Only medically approved solvents may be used to remove bitumen from burns, as other solvents could cause further skin damage.

5 - Firefighting Measures

Hazards	Not explosive. Not auto – flammable. Not flammable. The product itself will not burn. If anything the packaging may be involved in a fire.
Extinguishing Agent	Use CO2, dry chemical powders or alcohol resistant foam. If water is used, contain any run-off.

6 - Accidental Release Measures

Environmental Protection	Avoid spillage into sewers or surface water.

Training	This product does not require any special training before use.

8 - Exposure Controls and Personal Protection

Hygienic Measures	Not hazardous in normal use. Avoid contact with eyes and skin.
Personal Protective Equipment (PPE)	Eye protection: Safety glasses or splash goggles. Body protection: Long sleeves and loose clothing.

9 - Physical and Chemical Properties

Form	Liquid
Colour	Brown
Odour	Slight resinous petroleum odour
Odour Threshold	N/A
Coefficient of Water/Oil Distribution	N/A
Change in Condition	Boiling Point: 100°C (water) Freezing Point: 0°C
pH	7-13
Specific Gravity	1.00 (approx.)
Vapour Pressure	(mm Hg) 17 @ 20°C (water)
Vapour Density	>1 (air=1)
Evaporation Rate	<1 (nBuAcetate=1)
Volatiles %	30-60 (water)
Solubility in Water	Partially soluble

10 - Stability and Reactivity

Stability	Stable under normal conditions
-----------	--------------------------------

11 - Toxicological Information

Primary Irritant Effects	On the eye: Slightly irritating to eyes. On the skin: Slightly irritating to skin. Chronic toxicity: Repeated exposure to low levels will not cause adverse effects. Contact sensitization: Does not provoke a sensitization reaction.
Additional Info	Not actually toxic. After ingestion it may cause vomiting. If large quantities are ingested, treat symptomatically. Do not induce vomiting. If irritant effects are seen, these will be mild to moderate, depending on exposure. If in contact with eyes flushing with water is recommended.

12 - Ecological Information

General Notes	The product is not considered harmful to Aquatic organisms nor to cause long-term adverse effects in the environment. The surfactants used in the product are biodegradable in line with the requirements of EU directives 73/404/EEC and 73/405/EEC and their subsequent amendments.
---------------	--

13 - Disposal Consideration

Recommendations	Observe safe handling precautions and local legislation. May go to land fill.
-----------------	---

14 - Transport Information

Regulations	<ul style="list-style-type: none">• Not subject to ADR/IATA/IMDG codes.• Not subject to the controlled products or the transportation of dangerous goods regulations.
--------------------	--

15 - Regulatory Information

Labelling According to EU guidelines	This product is not classified as dangerous according to EU Directive 1999/45/EC and national laws.
---	---

16 - Other Information
